Come join us for Hope’s first annual Vacation Bible School!

The Sunday School ministry at Hope Lutheran Church are so excited to invite you, your neighbors, your friends, your cousins, etc. to a summer fun day of learning about God! We will be telling the story of Noah’s Ark through listening to Bible stories, making rainbow crafts, eating animal snacks, singing songs, and even swimming in a pool ourselves.... So don’t forget your swimsuit and towels!

The morning will be full of fun and activities, so you won’t want to miss out. Parents are welcome to stay or drop off their children for the event. Please e-mail Kat McPartland with any questions and so we can know how many kids to expect at kathmcpartland@gmail.com
