

movies@hope presents:

Dateline: January 23, 2020, Wuhan, China -- where it all began. As the world begins its slow emergence from the worst public health crisis in over a century, movies@hope proudly presents this “riveting” (*Washington Post*) film capturing the initial outbreak and subsequent lockdown of a city of 11 million people.

WHEN: Friday, May 7, 7:30 p.m.

WHERE: On line on Zoom.

See www.hopecp.org for the Zoom link and further information.
