

**movies@hope presents:**

**2018 Fall Season Schedule**

Hope Church is now in its 7th season of monthly fiction and documentary films! We believe in community -- and offer these films on our big screen as an opportunity for a shared experience with our friends and neighbors.

The films are often introduced by guest experts, and all will be followed by a chance to discuss what you've seen.

**Movies begin at 7:30 p.m.; admission and refreshments are always free!**

\*\*\*\*\*

**Friday, September 7 – *The Good Lie*.** Reese Witherspoon stars in this overlooked gem from 2014, the story of Sudanese refugees struggling to make a better life for themselves in the U.S. Mira Mendick, Community Relations Director at Lutheran Social Services and Kathryn Tobias, local refugee support volunteer, will be on hand to place this film in the context of our burgeoning refugee community in the DC area.

**Friday, October 12 – *My Architect*.** This Academy Award-nominated documentary from 2003 celebrates the life and work of the great American architect, Louis Kahn, who died bankrupt and alone in 1974. It's also the story of his estranged son, Nathaniel, who made this unique film as a way to better know and understand him. Katherine Soffer, personal acquaintance of the filmmaker, will introduce the film.

**Friday, November 2 – *Dave*.** We celebrate Election Day with this endearing comedy from a more innocent time (1993) about an idealist who accidentally becomes president. If you missed this summer's Broadway-bound musical version of this film – or even if you didn't – here's your chance to join the fun, and maybe feel a little more hopeful about the future of our democracy!

**Friday, December 7 – *One Magic Christmas*.** Here's a charming Christmas fantasy from 1985 you probably haven't seen. From the pen of the late award-winner, Thomas Meehan, author of *Annie*, *The Producers*, and *Spaceballs* among many others, this film tells the tale of how one family learned the true meaning of Christmas. Stars Mary Steenburgen and the late, great Harry Dean Stanton. Fun for all ages!
